

America's Prophetic End-Time Role

(Caravan to Midnight #3)

Fred R. Coulter with John B. Wells—April 6, 2024

Moderator: Tonight we welcome back Mr. Fred Coulter. We're going to discuss America's prophetic end-time role. He is also the one who provides *A Faithful Version* of the Holy Bible. You can find it at afaithfulversion.org

- it's not the *King James*
- it's not the *New King James*
- it's not the Berean
- it's not the New English Standard

It's just a faithful version! I was reading Lamentations earlier this morning, and as I was reading, I thought, sounds like this is being written about us, the United States of America, Western civilization's last chance, frankly. And it goes to the title of tonight's program, *America's Prophetic End-Time Role*.

I think you'll enjoy what you're going to hear tonight. I really, really do. We welcome back Fred Coulter to discuss America's prophetic end-time role. Did you realize that we are living in what the Bible calls the *end-times* or *the last days*?

What we are seeing in America today and around the world, was prophesied thousands of years ago. Today in news reports, nearly everything that we see, hear, or read about is taking place in the world today. ***We are actually witnessing major prophecies being fulfilled exactly as found in the Bible!***

Of these end-time prophecies, Jesus Himself warned: Luke 21:33: "Heaven and earth shall pass away, but My words shall never pass away. So, watch yourselves, lest your hearts be preoccupied with high living and drinking and the cares of this life, and that day comes upon you suddenly. For as a snare, it shall come upon all those who dwell on the face of the earth. Watch therefore and pray at all times..." (vs 33-36).

Well tonight, Fred R. Coulter will explain from Scripture some of these major prophecies, and you will see that we are truly living in the Biblical end-times.

He will also reveal the Biblical name of the United States. It will be a eye opening! You will be amazed! With a ministry now spanning 60 years, Fred Coulter is on a God-inspired mission to preserve the Truth of God for the next generation of faithful Christians. According to Coulter, forces of godless evil are subtly working behind the scenes in religion, government, education, and economics. Secular, liberal, new age, satanic forces are fast at work corrupting the fundamental Truths of the Bible

and destroying Godly morality. Prominent atheists, especially in America and the United Kingdom, have mounted bitter assaults against God and the Bible.

Even the 'Scriptures themselves are no longer held as sacred, but have been thoroughly violated in the rush to produce so-called *modern gender-neutral translations!* In fact, Christianity itself is in moral retreat, the result of widespread doctrinal confusion and a growing willingness to compromise Biblical principles with popular culture.

It is against this backdrop that Pastor Fred Coulter has worked as a minister, author and publisher to produce:

- 15 books
- an abundance of booklets
- papers
- thousands of audio and video sermons
- hundreds of half-hour video segments for Church at Home {churchathome.org}, covering basic Bible topics and questions
- over 60 in-depth sermon transcript compilations

All designed to safeguard the true doctrines of Jesus Christ as well as the 'Scriptures themselves! He publishes *The Holy Bible In Its Original Order, A Faithful Version* {afaithfulversion.org} and you can get an 'untampered with' Bible there.

It's not the *King James* or *New King James*, it's not the Berean Bible, it's not the *New English Standard*, it's not the *New American Standard*, **it's a Faithful Version of the Bible** and you get it at afaithfulversion.org.

Without further ado, let's welcome him back. Pastor Fred Coulter, good evening sir, thanks for being here.

FRED: Yeah, thank you John, I appreciate it very much. Yes, we're looking at some very difficult things going on and everyone wants to know about prophecy. So, as I have mentioned, one of the things that we're going to cover today is what is happening in prophecy and who are the Americans or the United States of America and Britain in prophecy? Because they are there.

Now, many people don't realize it, but it is revealed in the Word of God. Let's look at what Daniel said about the Word of God and the times leading up even to the last days.

This is found in Dan. 2; Nebuchadnezzar had a dream and he called all of the enchanters, wise men, astrologers and magicians and told them:

'I had a dream, and I want you to tell me what the dream was, I want you to tell me what the dream means.' They said, 'We can't do that, you tell us the dream.' He said, 'No, if you don't tell me what the dream is, I'm going to kill you all.'

Moderator: Wow!

FRED: The captive—Daniel—was ten times better than all of those enchanters and astrologers and so forth. He and Shadrach, Meshach and Abednego took it to God in prayer and fasting and God gave the answer to Daniel.

This sets the stage for what we're going to see and what we're going to cover today. So, Daniel recorded this prayer:

Daniel 2:20: "Daniel answered and said, 'Blessed be the name of God forever and ever, for wisdom and might are His. And He changes the times and the seasons; He removes kings and sets up kings. He gives wisdom to the wise and knowledge to those who have understanding'" (vs 20-21). *Then he thanked God for revealing the dream to him!*

*So, Daniel came to the king and he said, v 27: "The secret which the king has demanded cannot be shown to the king by the wise men, the enchanters, the astrologers or the magicians. But there is a God in heaven Who reveals secrets and makes known to King Nebuchadnezzar what shall be **in the latter days....**" (vs 27-28).*

Then he gives a vision of the statue starting with a head of gold all the way down to the toes, and then it brings it right up to our day just ahead of us:

Verse 44: "And in the days of these kings, the God of heaven shall set up a Kingdom, which shall never be destroyed. And the Kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand forever."

That's what we're looking at in the near future. All of the prophecies that are taking place today, all hinge around that and then we need to understand what Jesus said about the Word of God. 'The Word of God is true.'

Paul wrote, 'The Word of God 'God inspired'—*or that is God-spirited!*

Jesus said, 'The words that I speak to you, **they are Truth and they are Life.**'

Now let's look at some prophecies here, how God looks at the world, because we just read what the conclusion is going to be given to King Nebuchadnezzar. The world today, when you read the book of Revelation, it is called *Babylon the Great!* That is that **the whole world system is going to evolve into a giant Babylonian system!**

I've covered some of that in the past, but let's look at something, which is not taught. In the Old Testament, the phrase 'House of Israel' is mentioned 146 times. That refers to the ten northern tribes and you have to go to the book of 1-Kings chapters 11, 12 and 13 to understand how that split. It split after the days of Solomon, because of Solomon's sins and the ten northern tribes were then called ***the House of Israel!***

The Jews today say they are Israel and they name where they are living as 'Israel,' ***but that is not true!*** That should be ***Judea!***

The House of Israel came from the *House of Jacob*. We'll look at the House of Jacob, because his name was changed ***from Jacob to Israel.***

Here's something that most people don't realize; that 80% of prophecy in the Bible pertains to the ***House of Israel!*** The House of Jacob is 20% of the prophecy to the House of Judah, and there are some verses where the House of Israel pertains to all 12 tribes.

Now, what is over in Palestine today are Jews, genetic Jews, and Khazarian Jews have only been allotted at this time the large area along the coast where Tel Aviv is and Jerusalem.

You look at what's happening in the world and let's understand how it came about that the House of Israel is more important in prophecy and more important in world power than the Jews, because they one tribe with some Levites and some priests and a few Benjamites. They have been scattered and dispersed into all the world, because ***they refused to believe God*** and were carried off in captivity in 536_{B.C.} to Babylon. Then they came back and they continued on pretty well. Come down to the time of Christ and they ***rejected Christ as the Savior when He clearly said that He came as Messiah for the Jews and for the world!***

Now, believe it or not, one famous pastor, his name is Hagee, has said that 'Jesus didn't say He was Messiah for the rest of the people.' It was not for the Jews because the Jews do not believe that Jesus was the Messiah, and that blinds them to a whole lot of things.

So, let's see what God is doing in the world. We find this Jer.18. This is really important for us to understand, ***because God is active in the world:***

- through God's angels
- through demons
- through Satan
- through intervention of God Himself

in different things at different times!

When Jeremiah—a prophet—was telling the Jews—and Israel—that God is in charge!

- He looks at people

- He looks at families
- He looks at nations/the whole world.

So, here's what he said after God told him to go down to the potter's house.

Jeremiah 18:3: "Then I went down to the potter's house, and, behold, he was working at his wheel. And the vessel that he made of clay was ruined in the hand of the potter; so he made it again into another vessel, as seemed good to the potter to make it. Then the Word of the LORD came to me, saying, '**O House of Israel...**'" (vs 3-6).

That's all twelve tribes; that includes the ten tribes of the north and those who are with the Jews: *House of Israel!*

"...can I not do with you *even* as this potter?' says the LORD. 'Behold, as the clay is in the potter's hands, **so are you in My hand, O House of Israel!**'" (v 6).

Now, we need to be aware of it, because of what's happening in America:

- Why do we have so much crime?
- Why do we have so many lies?
- Why do we have so many immigrants pouring across the border?
- Why do we have a government that is just based on lies?
- Why are we facing war?
- Why are we facing all of these things?

Here's what we need to understand; God says this.

Verse 7: "If at any time I shall speak concerning a nation..." *any nation!*

In the Old Testament there are a lot of names of countries that are listed, and they have modern parallels for today.

"...and concerning a kingdom, to pluck it up and to pull it down, and to destroy it" (v 7). *When does God do that? He does that:*

- when the majority of people turn from God
- when the majority of people are turning to their own devices
- when the majority of people transgress the Laws and Commandments of God
- when the preachers teach the things that they shouldn't teach

They teach lies, they teach myths, and people are never told the Truth. So, when it comes down to when God does that, here's what He says; He always gives a time of repentance, we'll see that a little later.

Verse 8: "**IF** that nation, against whom I have spoken, will turn from their evil, I will repent of the evil that I thought to do to them. And **IF...**" (vs 8-9). *Notice that all of this depends on our choices:*

- individual choices
- family choices
- community choices
- state choices
- federal choices
- the whole country choices

Right now, it's kind of an almost impossible thing! The state of Louisiana, in the news today, the governor signed to have the Ten Commandments posted in all of the schools. So, they are sued, going to the court, that they shouldn't have the Ten Commandments there.

Well, that's what they really need there, and that's what they really need to teach. Now, on the other hand, they're passing laws that they can take children away from parents to perform these hideous operations on these young children

- they don't know anything about gender
- they don't know that there is only male and female

and you can't change one from the other!

Yet, the parents can go to jail to try and stop that. Now, you talk about something that's totally incongruous!

Then just like tonight, I was watching the news, and they have the ad on there for the SPCA to save all the dogs. **Well, what about saving our children, people?** God is looking down, and He says:

Verse 7: "**IF** at any time I shall speak concerning a nation... [v 8]: **IF** that nation, against whom I have spoken, will turn from their evil, I will repent of the evil that I thought to do to them. And **IF** at any time I shall speak concerning a nation, and concerning a kingdom, to build it and to plant it... [that's exactly what happened to America] **IF** it does evil in My sight, that it not obey My voice, then I will repent of the good with which I said I would do them good" (vs 7-10).

So, this is where we are. So, let's look at some history, the history in the Bible. This is important to understand. Another myth that there is, the Jews say that the Old Testament is for the Jews, and even Adam and Eve were Jews. ***That's not true!***

They were not Jews. They did not follow Judaism, and as a matter of fact, the word Jew does not appear in the Bible until you come to 2-Kings 16-6. Now then, Jacob—*whose name was changed to Israel* because he prevailed with God—had 12 sons. These **were all the 12 tribes of Israel!** Now, there are two tribes that Israel (Jacob) brought in to have his name put on them. What happened was this:

One day, they were all working in the field, and Joseph had had a dream, and he came and said

to all of his brethren that he had a dream of these sheaves of barley or wheat, and they all bowed down to me. Joseph told them about that couple of times. Also, his father loved him and gave to Joseph a many-colored coat, and all of the 11 brothers were jealous.

So there came a day that they had an opportunity to get rid of Joseph. (I'm just summarizing what's in the Bible to bring us up to where we need to be here.)

So, he was sold off (by his brothers) as a slave into Egypt. He spent time serving one of the princes of Egypt at that time. Then the woman tried to get him to commit adultery with him, but he didn't, so she grabbed his tunic and took it and said, 'He tried to rape me, but he didn't,' so he was thrown into prison. While in prison, he also was brought up to answer the Pharaoh after two years what it meant with the dream that the Pharaoh had of the seven fat cattle and the seven lean cattle.

Joseph told him that there will be seven good years and there will be seven lean years. So, in the lean years, God sent the whole family of Israel down to Egypt.

Moderator: So, Pastor, let's get back with it. If we can pick up right where we left off, that will be great.

FRED: All right. When Joseph was brought before the Pharaoh and told them the dream that the seven fat years were seven good years, seven lean cattle were lean years and there would be famine, Pharaoh put him in charge of all of Egypt.

Joseph collected all, he took 20% of all the grain and stored it for the lean years. And when the famine came, his father and all the rest of the sons came down into Egypt, and he finally made himself known to them, and they lived and prospered there.

And finally it came to the time when Israel, whose name was Jacob, but changed to Israel, was going to die. And he called for Joseph, and Joseph was his favorite son, and Joseph brought his two sons, Ephraim and Manasseh.

Now, those names sound a little strange, but what Israel did, he blessed both of them. He said this of Joseph, and whenever Joseph is mentioned, that means *Ephraim and Manasseh*,

Whenever Ephraim is mentioned, that is referring to Ephraim, who today is the UK and was the British Empire.

Everyone needs to write for this: **USA@truthofgod.org** and we will send you the book *America at Britain: Their Biblical Origin and Their Prophetic Destiny*.

That will give you a history that covers from that time down to today. Because if you don't know who we are in the Bible and what's happening in America and Britain today, you don't know why. *Here's how it started:*

Genesis 48:15: "And he blessed Joseph and said, 'May God, *before* Whom my fathers Abraham and Isaac walked, the God Who fed me all my life to this day, the Angel Who has redeemed me from all evil, **bless the lads**.... [Ephraim and Manasseh] ... And **let my name be perpetuated in them, and the name of my fathers Abraham and Isaac, and let them grow into a multitude in the midst of the earth**'" (vs 15-16).

Now, the Jews never fulfilled that! That was not their blessing. We'll look at their blessing in just a minute.

Gen. 49 is really very important because he gathered all the sons together before he died.

Genesis 49:1: "And Jacob called to his sons and said, 'Gather yourselves together, **that I may tell you what shall happen to you in the last days**.'"

How far back do the last days go? *Well, from our day they probably go back to somewhere around the middle 1500s!*

Then he blessed every one of the sons.

- Ruben was his firstborn (v 3)
- Judah—the scepter shall not depart from Judah, nor a lawgiver until Shiloh come (v 10)

Sidebar: There was a promise to David that there will always be someone sitting on the throne forever, but that was destroyed in 586_{B.C.}

Another just little side thing that people don't even imagine. Jeremiah ended up with the daughters of the king, and the king was taken to Babylon, and all of his sons were killed, so there was no descendant to come and sit on the throne.

So what happened to that? *Well, that was transferred to the brother of Peres, who was the twin born to Judah!*

Let's look at the blessing to **Joseph. Remember what will happen in the latter days!**

FRED: Special #1

- The Holy Bible In Its Original Order, A Faithful Version
- America and Britain: *Their Biblical Origin and Their Prophetic Destiny*
- Why Were You Born?
- Lord What Should I Do?

- Occult Holidays or God's Holy Days—Which?

Now, all of this is worth a whole lot of money, **but we give it to you FREE!** We don't follow up, we don't sell your name. In fact, our lists are always kept offline. All right, that's my advertisement.

Moderator: That's great. No, that's wonderful!

FRED: Now, let me read the blessing that was given to Joseph, and this describes... Think about the history of America and Britain, and remember the ascendancy of Britain started right after Tyndale translated the whole Bible.

Then America came with the American Independence Revolution, and that separated Ephraim and Manasseh.

- Ephraim is the UK, and then it became a multitude of nations with the Commonwealth.
- Manasseh became the greatest nation in the world, America.

Now, let me read what the prophecy was in the latter days.

Genesis 49:22: "Joseph is a fruitful bough, a fruitful bough by a well, whose branches run over the wall. The archers have fiercely attacked him and have shot *at him*, and hated him" (vs 22-23).

Boy, that's been true, hasn't it? *Yes, indeed!*

Verse 24: "But his bow abode in strength, and the arms of his hands were made strong by the hands of the mighty God of Jacob...."

Now then, isn't that true? Didn't that happen with WWI and WWII? *Yes!*

Verse 25: "...And may the Almighty bless you with blessings of heaven above, blessings of the deep that lies beneath, blessings of the breasts and of the womb. The blessings of your father are greater than the blessings of my ancestors, to the utmost bound of the everlasting hills. They shall be on the head of Joseph, and on the crown of the head of him, the ruler, the leader who was separated from his brothers" (vs 25-26). *Now, that's pretty powerful!*

Moderator: Oh, yes!

Now let's come here to Deut. because there's something else we need to read. Everybody mark this down, all of you who want to fight against all of this green nonsense, I'll give you a Scripture that God gives us permission to drill for oil: that is:

Deuteronomy. 32:13: "He made him ride on the high places of the earth so that he might eat the increase of the fields. And **He made him suck honey out of the rock, and oil out of the flinty rock.**" *Huh. That's drilling for oil, right?*

Moderator: Sounds like it to me. Yeah.

FRED: Now, let me read the blessing that was given here to Joseph in

Deuteronomy 33:13: "And of Joseph he said, 'Blessed of the LORD *be* his land, with the precious things of the heavens...'"

And look at what we have, the greatest nation in the world from coast to coast, the plains, the mountains, the rivers, the resources, everything here **God put here!**

Then that also extends up to Canada and over to Alaska, as well. So that's something!

"...for the dew, and for the deep that couches beneath, and for the precious things of the fruits of the sun, and with the precious things of the yield of *the* months. And with the chief things of the ancient mountains, and for the precious things of the everlasting hills, and for the precious things of the earth and fullness of it, and *for* the good will of Him Who dwelt in the bush. Let the blessing come on the head of Joseph, and on the top of the head of him who was separated from his brothers. His glory *is like* the firstborn of his bull, and his horns are like the horns of the wild ox. With them he shall push the people together to the ends of the earth. And they are the ten thousands of Ephraim, and they are the thousands of Manasseh" (vs 13-17).

That's a prophecy for the latter days. In the last 500 years, those were fulfilled by Britain and America, **and now we are going down!**

Let's look at some prophecies about that and why that is, and that **God always offers repentance!** He holds it out.

Now, we were right at the verge of America and Britain. But if there is not a great movement by people away from all of their sins, **we will suffer catastrophe and captivity, just like it happened in the days of Israel and Judah in the past!**

The Apostle Paul wrote that **everything that happened in the Old Testament were a witness for us** that we don't do the same things.

Now, let me read this prophecy here in Isaiah 1:2: "Hear, O heavens, and give ear, O earth; for the LORD has spoken, 'I have reared and brought up children, but they have rebelled against Me.'" *That is true:*

- we rebelled against the Word of God
- we've rejected His Laws
- we've rejected the Laws in the country
- we have satanist taking over the country
- we have strangers running in and taking over the country

It's a total mess, and all of that was prophesied because of the sins of the people and the lawlessness that we see today!

{transcriber's note as mentioned on the audio of this message: Live stream of Sabbath services starts at 1pm Pacific time. Log in to truthofGod.org and on the home page to the right you will see the link to watch!}

Then He says how stupid we are, he says:

Verse 3: "The ox knows his owner, and the donkey his master's crib; **but Israel...** [that's us and Britain and the democracies of Northwestern Europe] ...**does not know Me; My people do not understand.**"

That's all explained in the book: *America and Britain*. It is an amazing story. So you get that. We'll send it to you at no cost.

Verse 4: "Ah, sinful nation, a people burdened with iniquity, a seed of evildoers, children who deal corruptly!..." *That's what we have!*

Look at Washington, D.C. Look at all of the states where they have lawlessness. They're just tearing everything down.

That happens Whenever a nation sins, like we read, **IF** they sin, **THEN** God raises up the enemy against them. Look at all the enemies that we have threatening us today.

It has been reported that there's a plan in the United Nations to split up America. The western half to China, the southern half to Mexico, the eastern seaboard to Europe, and the northern Midwest to Canada. That's what they have in mind. Those things are devised by our enemies, **because we're sinning! We're rejecting God!**

- those who are supposed to be teaching the Bible *are not*
- those who are supposed to be teaching law and order *are not*
- the politicians are all corrupt
- the president [Biden] is the worst president that we have ever had

All of that is because of the sins of the people!

"...**They have forsaken the LORD;** they have provoked the Holy One of Israel to anger; they have gone away backward" (v 4). *So then God asks the question:*

- How do you like that?
- Do you like it?
- Do you want it?

Verse 5: "Why should you be stricken any more? You will revolt more and more; **the whole head is sick...**"

Doesn't that describe our current president [Biden] and our federal government? The only exception is those poor Republicans trying to do what is right. Speaker Johnson quotes the Bible as guidance for what he's going to do, *and he's decided for doing that!*

Verse 6: "From the sole of the foot even to

the *top of the head there is no soundness in it; only wounds and bruises and putrefying sores; they have not been closed, nor bound up, nor soothed with ointment. **Your country is a desolation...**" (vs 6-7).*

- look at the cities with the homeless
- look at all of the crime
- look at all the things that are going on
- look at the deterioration and destruction of the family
- look at the absolute terrible education given to kids

And kids are sexualized right in kindergarten in the public schools! **You talk about sin! There it is!**

Verse 7: "Your country *is* a desolation, your cities *are* burned with fire. Your cities are burned with fire...."

Didn't that happen in 2020? Wait for this election; it's not going to be smooth!

"...**Strangers...** [listen carefully, that means those who are not our citizens] ...**devour your land right in your very presence...**" (v 7).

That's what we have! Look at all of the aliens that are put up in the hotels? Look at New York City! It is an absolute terrible place to be. Who knows what will happen there?

"...Strangers devour your land right in your very presence, and *it is* wasted, as overthrown by strangers" (v 7).

Special #1 {<https://www.cbcg.org/caravan.html>}

No cost, no follow up, no handling, no selling your name or anything!

Moderator: So, Pastor Coulter, is America's role in the end-times to just be the perfect model of what it takes to bring about complete and total destruction? I mean, is that what the role is? Or is there any rising up and pushing this back?

Is there any pleasing our Father in heaven Who sent us here to the point where this judgment might not befall us? Because I've got a feeling it's going to start with America. All we've done is let these people who have been in power make enemies for all of us who call ourselves Americans. They're not coming after just the politicians and the bankers and so forth. They're coming after all of us.

So, is there any pulling this thing out of the fire at all, or are we going into the fire?

FRED: We can delay it! Like you said, it's up to the individual.

- they need to look at their lives
- they need to look at the Word of God
- they need to get rid of all of the false ideas they have in their head

like

- ✓ the Old Testament was for the Jews
- ✓ the Old Testament has already been fulfilled

NO! The Old Testament is not filled with all kinds of false ideas. **It's filled with all kinds of prophecies of today, of death and destruction. But God holds out repentance!**

If you repent, *and repent means stop breaking the Ten Commandments, especially the Sabbath Day!* It's the Commandment that says, **remember!** But everybody says, 'Well, we changed it.'

Question I have for anyone who says that: Are you God? **Because no man can change the Laws of God! God gave all of those:**

- for our good
- for our blessing
- so we can live
- so we can get along
- so we can do what we need to do
- ✓ to love God
- ✓ to love our neighbor
- ✓ to take care of things

Here's what has happened, and this is why it's coming. America is not going to avoid it. It's going to come!

So let's look at the cause, and you evaluate your own life. That's why we have in the Special #1 the book: *Lord, What Should I Do?* A special book; what should you do?

Isaiah 5:20: "Woe to those who call evil good and good evil..." *Isn't that what we hear today? Yes!*

"...who put darkness for light and light for darkness..." (v 20).

Who say we don't want anything about God, we don't want to hear about the Commandments of God? *That's pure satanism.*

Now, can those people repent? *Possible!* But unless we repent, there's going to be more of them, ***and sooner or later, the hand of God is going to come down and punish us!***

Go to our other website: **churchatHome.org** and look up *The Hand of God's Judgment*. Listen to it, and you see what we cover there. There are two messages that I brought there.

{<https://www.churchathome.org/video/the-hand-of-gods-judgment-video-series.html>}

Verse 21: "Woe unto *them that are* wise in their own eyes, and prudent in their own sight! Woe unto *them that are* mighty to drink wine, and men of strength to mingle strong drink" (vs 21-22)—***and you can add drugs today!***

Look at the pitiful thing with all the homeless, all of the people who are on the street, the drugs that are given to them, and taking this country down. We have a president who's being paid by China through his relatives.

Verse 23: "Who justify the wicked for a bribe, and take away the righteousness of the righteous from him!"

Unless there's repentance, here is what's coming:

Verse 24: "**Therefore, as the fire devours the stubble, and the flame burns up the chaff; their root shall be like rottenness, and their blossoms shall go up like dust because...**"

God never does anything without cause. Keep that in mind.

"...because they **have cast away the Law of the LORD of hosts, and despised the Word of the Holy One of Israel...**" (v 24).

Now, the religious leaders in so-called Christendom are the ones who say the law is done away, ***and that's the biggest lie! That has sown the seeds of discord and lawlessness that has come down and is consuming the whole country today!***

Verse 25: "Therefore, the anger of the LORD is kindled against His people, and He has stretched out His hand against them, and has stricken them; and the hills trembled, and their dead bodies were as filth in the midst of the streets. In all this His anger is not turned away, but His hand is stretched out still."

Let's look at another one; let's come to Ezek. 7. I want you to

- look at your city
- look at your town
- look at what's going on
 - ✓ what the religious are doing
 - ✓ what the government is doing
 - ✓ what the people are doing

God knows! Remember where we started. ***God looks at every nation all the time, and when they sin against Him, His hand and judgment comes!***

Ezekiel 7:23—*here's how bad it gets:* "Make a chain; for the land is full of bloody crimes... [you watch the news tonight] ...the city is full of violence. And I will bring the worst of the heathen, and they shall possess their houses. I will also make the pomp of the strong to cease; and their Holy places shall be defiled. **Terror comes...**" (vs 23-25).

- Have you ever heard of terror in America? *It's coming!*
- How many terrorists has Biden let in here?

All of that is because of the sins of the people! We can blame him, but everyone has a part in it who has rejected God's way.

"...and they shall seek peace, but there shall be none. Disaster shall come upon disaster, and rumor shall be upon rumor. And they shall seek a vision from the prophet; but the law shall perish from the priest, and wisdom from the elders. The king shall mourn... [in this case the president] ... and the prince shall be clothed with despair, and the hands of the people of the land shall tremble. I will do to them according to their way, and according to their uncleanness **I will judge them; and they shall know that I am the LORD**" (vs 25-27).

Now then, another prophecy we need to look at, and this is important. This is found in the book of Hosea, which is to the children of Israel.

Now, Hosea 4:1: "Hear the Word of the LORD, children of Israel..."

You need to order that book: *America and Britain*, which is included in:

Special #1

Hosea 4:1: "Hear the Word of the LORD, children of Israel, for the LORD *has* a controversy with the inhabitants of the land, '**There is no truth... [we've got lies everywhere] ...nor mercy, nor knowledge of God** in the land.'

They don't know about God; they don't even want it. They want laws to get rid of the Ten Commandments, let alone anything about the whole Bible.

Verse 2: "By swearing, and lying, and killing, and stealing, and the committing of adultery they break out; and blood touches blood. Therefore, shall the land mourn, and everyone who dwells in it shall languish, with the beasts of the field and with the birds of the heavens. Yes, the fish of the sea shall also be taken away. Yet, let no man strive, nor reprove another, for your people *are* as those who strive with the priest. And you shall stumble in the day, and the prophet also shall stumble with you *in the night*, and I will destroy your mother. **My people...**" (vs 2-6).

That's Israel, **that's us**, that's **America, Britain, the democracies of Northwestern Europe**, and also including those poor Jews, wherever they are scattered in the world, and the few that are in the area of Judea or Palestine today.

Verse 6: "My people are destroyed for lack of knowledge. **Because you have rejected knowledge...**"

Look, they have the Bible; everybody can get it. You can get it online and it doesn't cost

anything, translated in 3,300 languages. That was prophesied in Mark 13, that this Gospel of the Kingdom would be published in all the world.

Hey, it's right there. Everybody loves their smart-phones! Get on your smart-phone, and you go to **afaithfulversion.org** and you can get the Bible without all of the nonsense and the poor translations from the other translations.

"...Because you have rejected knowledge, I will also reject you from being as a priest to Me. Since you have forgotten the Law of your God, I will also forget your children" (v 6). *There it is right there. So, you see:*

- you need father
- you need mother
- you need stability
- you need love
- you need truth
- you need obedience
- you need success

But that doesn't come from every man or every woman or every child doing just what *they think is best* in their own eyes. **They need the Word of God!**

We've got a whole program for teenagers on the Book of Proverbs. I might bring that one time if you have me in the future.

Moderator: Sure!

FRED: Verse 7: "As they were increased, so they sinned against Me. I will change their glory into shame. They eat up the sin of My people, and they set their heart on their iniquity" (vs 7-8).

So, that's where we are. Let's see what God says concerning the whole nation of Israel in Lev. 26. Now, this is an eye-opener because this prophecy is what 2,500-years-old? Easily that! That's why the Old Testament is important.

- it gives us knowledge
- it gives us understanding
- it gives us the Laws of God
- it shows us, as Paul said, these are examples so that we don't do what they do

Now then, let's see what God says. There are conditions for us. Everywhere you see **IF** in the Bible, that you must make a decision, you circle that. Another place when you see **ALL** in the Bible, circle that.

Leviticus 26:1—*God says this: "You shall make no idols to yourselves; and you shall not set up for yourselves graven images, or a standing pillar. And you shall not set up any image of stone in your land in order to bow down to it, for I am the LORD your God."*

Now that's the second and third Commandments. He says this, now keep this in

mind, this is what we violate more than anything else. That's why you need the book: *Occult Holidays or God's Holy Days—Which?*

Verse 2: "**You shall keep My Sabbaths...** [plural] ...and reverence My sanctuary. **I am the LORD. IF** you walk in My statutes and keep My commandments and do them. **THEN**"—etc.!

He says in v 5: "...you shall eat your bread to the full..."

Verse 6: "And I will give peace..."

Verse 7: "And you shall chase your enemies..."

Verse 9: "For I will have respect to you, and make you fruitful, and multiply you, and establish My covenant with you."

Here's the warning: v 14: "But IF..."

This is where it is for each one of us, and this is what we're looking at today, not only individually **but**:

- collectively
- religiously
- in every church
- in every synagogue
- in every cathedral
 - all of the priests
 - all of the pastors
 - all of the rabbis

need to get off their lies that they're preaching to all the people, and come in repentance with sackcloth and ashes, and ask God to lift His hand of destruction from us.

IF they don't do it, then, and the people don't follow it, **it's coming!**

Verse 14: "But **IF** you will not hearken to Me and will not do all these commandments, and **IF** you shall despise My statutes, or **IF** your soul hates My judgments, so that you will not do all My commandments, so that you break My covenant; **I will also do this to you: I will even appoint over you terror, consumption, and burning fever, consuming the eyes and causing sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it**" (vs 14-16).

How much do we sell to China? *China's our greatest enemy*, and they want the western half of America.

Verse 17: "And I will set My face against you..."

Now, when it comes to that, the face *set against us*—God against us—it's the same thing we find in the book of Revelation with one of the Churches, they're prophetic, that **IF** they bring in all of these satanic heresies, Jesus said that He will

make war against His own Church, **because they're doing things that are contrary to the will of God!**

Now that's New Testament doctrine! So, don't anybody say this is all in the Old Testament. It may be there, but it's for today, as well.

Notice, has this not happened? *Think of Washington, D.C. today and the various states!*

"...They that hate you shall reign over you..." (v 17). *That's what we have!*

Verse 18: "And **IF you will not** yet, for all this, **hearken to Me, THEN I will punish you seven times more for your sins.**"

So **IF** we go against the opportunity to repent, beginning with our own lives... And how do you do that? *You just get on your knees because God is as close to you as your knees are to the floor! And you:*

- confess that you've been breaking God's Laws
- confess that you're a liar
- confess that you've been cheating
- confess that you have committed adultery
- confess that you have turned your back on God
- confess that you're keeping wrongly the holidays of this world

*because they're all pagan! God says **don't keep those!***

You ask God for *a clean heart*, and then you start keeping the Sabbath right in your own home!

- that's why we've got Church at Home {churchathome.org}
- that's why we have live streaming services every Sabbath—which is Saturday at truthofgod.org—at 1pm Pacific time;

Verse 19: "**And I will break the pride of your power...**"

- Isn't that what has happened?
- Is that true?

Moderator: *Without a doubt!*

FRED: Is that what we're looking at today?

That's not just stupidity on people's part. **That's because of sin by the whole nation and the leaders!**

"...and I will make your heaven like iron and your earth like bronze. And your strength shall be spent in vain, for your land shall not yield its increase, neither shall the trees of the field yield their fruits. And **IF** you walk contrary to Me and will not hearken to Me, I will bring seven times more plagues on you according to your sins" (vs 19-21).

Verse 23: “And **IF** after these things you will not be reformed by Me, but will still walk contrary to Me, **THEN I will walk contrary to you and will punish you seven times more for your sins. And I will bring a sword on you that shall execute the vengeance** of the covenant. And **WHEN** you are gathered inside your cities, **I will send the plague among you. And you shall be delivered into the hand of the enemy**” (vs 23-25).

That says it all! That's what we're looking at. That's important for us to realize.

It's not a matter of being nicey-nicey. It's a matter of: ***we better understand the realities that God is active!*** God is looking at everything all the time. God knows our thoughts!
