

# Day of Atonement (2019)

## Review: Day of Atonement

The Day of Atonement illustrates several things in God's Master Plan. Check those headlines below that could be a part of this special day.

## Review: Meaning of Atonement

Atonement means to be \_\_\_\_\_.

Who are we praying & fasting for on the Day of Atonement?

---

---

Read *The Whole Purpose of the Day of Atonement* (CBCG, 2019).

## Banishing the Sin Goat

**On the Day of Atonement, God gives clear detailed instructions for this day. Why is it important to follow God's exact instructions? What happens when we try to do things our way?**

---

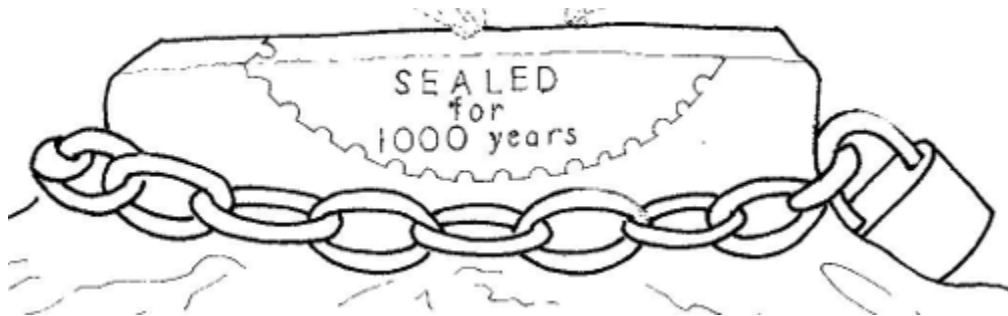

---

**Within these instructions, God identifies the sin goat from the two identical goats presented. Why does God need to identify Satan? Why is this important to each of us now?**

---

---

**Read Rev. 20:1-3. The banishing of the sin goat in the Old Testament symbolizes Satan being locked up on the Day of Atonement. Why is Satan locked up for 1000 years?**

---

---

---

---

**How will this make a difference for those who come to know the plan of God during the Millennium?**

---

---

### True or False?

- \_\_\_ All sins are the same in God's eyes.
- \_\_\_ You can love God & still not follow His commands.
- \_\_\_ It is right to judge actions as unrighteous & flee from them.
- \_\_\_ Accepting everyone & their actions is what it means to love God.
- \_\_\_ Jesus loved all the actions of His disciples.
- \_\_\_ God accepts sacrifices of those who sin as a pattern of behavior.
- \_\_\_ All unrighteousness is sin.
- \_\_\_ All sin leads to death.

### Understanding Satan's Strategy

The Law of Sin & Death is in each of us and is also called

\_\_\_\_\_ .

Satan's focus is on those who are in God's \_\_\_\_\_.

Why do you think this is the case?

---

How did Jesus stand up to Satan's temptation? (circle one)

He ran away.

He negotiated a deal.

He quoted scripture.

He outsmarted Satan.

Satan often offers us shortcuts with a catch. What is the “catch”?

---

### Withstanding Satan

Read Matthew 16:24. Write it out below.

---

---

How can you “deny yourself”?

---

---

“...everyone who practices sin is a \_\_\_\_\_ of \_\_\_\_\_.” (John 8:35)

Read Ephesians 6. Which part of armor is your weapon with which to fight the enemy? \_\_\_\_\_

### Armor of God

The key to withstanding Satan is to...

(Write it in the key.)

True or False?

- \_\_\_ Satan can quote scripture.
- \_\_\_ Fake Christians often twist scripture.
- \_\_\_ On a future Day of Atonement, God will heal the land.
- \_\_\_ The Earth will be a mess when Satan is finally locked up.
- \_\_\_ Satan often offers us appealing shortcuts with a catch.
- \_\_\_ God often leads us into temptation.
- \_\_\_ Doing things our way instead of God's way is serving Satan.

## Respond to God

Read Lev. 16:29-31. Name 5 things we *should* be doing today on the Day of Atonement.

---

---

---

---

---

## True or False?

- It is still necessary to kill a goat on the Day of Atonement.
- The First Fruits will need to teach others in the world how to become one with God.
- Fasting magnifies prayers to God.
- To “afflict yourself” means to go without food and water.
- In the Old Testament, the goat sent to the wilderness represents Satan being locked up for 1000 years.
- In the Old Testament, the goat sacrificed represented the blood that Christ would eventually shed for sin.
- In Lev., the two goats referred to on the Day of Atonement were identical in appearance, representing Satan’s ability to deceive the world.

## Eye on the Goal

The goal for all of us is \_\_\_\_\_. Satan's goal is that no one makes it.

What lesson did Peter need to learn when he denied Christ?

---

Have you ever had to learn that lesson? \_\_\_\_\_

One of the easiest ways to make yourself vulnerable to Satan is to rely on your own \_\_\_\_\_.

What is motivated by the Spirit of \_\_\_\_\_ leads us to do what pleases Him.

What is motivated by \_\_\_\_\_ seeks to please ourselves or the world.

The purpose of praying and fasting is to realize that...

---

---

## Satan Interferes with the Churches

Read Revelation 2 & 3. Pay attention to how Satan involves himself with each of the churches. For each church in the table below, make a note of how Satan interfered in each church.

Church	Satan's Interference
Ephesus	
Smyrna	
Pergamos	
Thyatira	
Sardis	
Philadelphia	
Laodicea	

We are warned to be on high alert, resist Satan, resist the world & everything it stands for. Why?

---

---

Satan will get his power from the \_\_\_\_\_ (a worldwide government). Those who are not actively resisting the enemy will be deceived in the end into worshipping the \_\_\_\_\_ (Satan). Eventually these people will receive the \_\_\_\_\_ of the beast, earning them everlasting \_\_\_\_\_.

The ONLY way people can know the TRUTH of God is through the \_\_\_\_\_.

## True or False?

- We need to be praying for the brethren every day as they are all under Satan's attack.
- Peter went to Rome & established the Catholic Church.
- Believe in God is enough to earn eternal life.
- Satan can do amazing acts to deceive people.
- You can resist Satan on your own.
- Satan will be bound for 900 years during the Millennium.
- We can determine truth on our own if we listen carefully.

**Name 3 new things you learned by reading this passage. Place one thing in each shaded area below. In the white areas, write some things that surprised about today's lesson.**

**Write a prayer to God for the future salvation of others.**
