

Trouble, Sin and Satanic Flip

Beware of this cunning evil world we live in!

Fred R. Coulter—December 17, 2022

Greetings, everyone! Welcome to Sabbath services!

The title of this message is: *Trouble, Sin and Satanic Flips*, and we'll find out a **satanic flip** is, because that's the worst of all! Before we get into it, I want to read you something.

When we look at Rev. 13 concerning the beast, what is distinguished by this beast? How it looks? There are 7 heads and 10 horns. This beast is a combination of worldwide events and controls that are going to happen.

When we read in the Old Testament about Assyria coming against Israel, that is true. But we have to also understand that all the nations of Europe surround the Assyrians: Germans, Czechs and the Austrians. They've always had trouble with them all the way through going clear back to Napoleon.

What happens with Europe—it happened three times—Napoleon wanted to conquer Russia, but failed. In WWI they wanted to conquer Russia, but they couldn't do it. So, they made an agreement with the Russians that they would send Trotsky—the father of communism in Russia—by sealed train if they would not attack German forces when they retreated, because they needed all of the soldiers to fight in Europe because America was entering the war.

Then what did we have in WWII? *Same thing again!* Attack on Poland, and the rest of the tribes of Israel—France, Belgium, the Netherlands, Britain, Norway, and Sweden and Finland was neutral. They did the same thing; why? ***Because it's the same demon spirits running the show!***

What happened? *They tried bombing Britain, but they had to give up on it because Hitler what to attack and take care of Russia!* He made one fatal mistake: he didn't start earlier enough and got caught in one of the worst winters possible, and they had to bring the forces back; they were frozen and killed and so forth. In Europe you do have the influence of Assyria.

- What do we have in America?
- Do we not have all 12 tribes of Israel here in America? *We have:* Jews, French, Dutch, Belgians, Brits, Scots, Norwegians, Swedes, Finnish; they're all here!

So when it talks about Israel in the end-times, we need to distinguish America from Europe. Look at how things are happening right now in Europe.

Europe is ready to sever ties with America. ***That is Scriptural, that is fulfilling prophecy!***

Who's left together? *Ephraim and Manasseh!* Manasseh was to be a great single nation. Let's think on this for a minute: *the beast* in Rev. 13 is not the Assyrian alone. Maybe *the beast head* will come from Assyria, but remember there are seven heads.

We have two association of nations and the participants in them change from time to time. We have what is called the G-7, and we also have what is called the G-20. So, at the end-time it is entirely different.

I'm going to post online a speech given by a high level Chinese as to their ambitions for America. This was given in 2003. Let me read a quote here that is very interesting. Remember, 2023 is just weeks away, so this is 20 years old. This was translated from Chinese into English by The Epoch Times, which is a paper in San Francisco run by the Taiwanese Chinese. They are anti-mainland communists.

The Secret Speech of General Chi Haotian {full speech at: truthofGod.org}

We are not as foolish as to want to perish together with America by using nuclear weapons...

I believe China, because what is the main necessary thing for China? *Food!* They have to import some 60% or more of their food; more like 70%!

...despite the fact that we have been exclaiming that we will have the Taiwan issue resolved at whatever cost. Only by using non-destructive weapons that can kill many people will we be able to reserve America for ourselves. There has been rapid development of modern biological technology...

What is that lab called in China? *The Wuhan Lab!* They're so smart that they got 'old traitor' Fauci to send them the money to make the biological weapons that will kill us. *Think on that!*

...and new bio-weapons have been invented one after another. Of course, we have not been idle, in the past years we have seized the opportunity to master weapons of this kind. We are capable of

achieving our purpose of “cleaning up” America all of a sudden....

I want you to piece this together with all the immigrants coming through.

- What are the majority of the immigrants coming?
- Are they women? *No! They're young men, single! They are fit for an army!*

I want you to think how quickly that something could happen in America that nobody is expecting.

- Are we going to find where they are?
- Do we know who they are?
- Do we know anything about them?

This is not happening by accident! This is deliberate!

- Who is helping to finance all the drugs, especially fentanyl? *The Chinese!*
- What did they say?

(continuing article):

...When Comrade Xiaoping was still with us, the Party Central Committee had the perspicacity to make the right decision not to develop aircraft carrier groups and focus instead on developing lethal weapons that can eliminate mass populations of the enemy country.

We are the enemy!

Who runs the World Health Organization (WHO)? *China!* Trump took us out of the WHO and Biden put us back in. Look at what has happened since then. Trust this: ***God is the One Who is doing it!***

...and focus instead on developing lethal weapons that can eliminate mass populations of the enemy country.

If you can't kill them all, you make them sick and debilitated. Can you stand up and fight when you're sick? *No!*

From a humanitarian perspective, we should issue a warning to the American people and persuade them to leave America...

They're telling us to get out of here!

...and leave the land they have lived in to the Chinese people....

Remember, this was 20 years ago!

...Or at least they should leave half of the United States to be China's colony,

because America was first discovered by the Chinese....

This gives us a real clue into the thinking of the Chinese!

...But would this work? If this strategy does not work, then there is only one choice left to us. That is, use decisive means to “clean up” America...

- Are we divided?
- Do we have problems?
- Do we have a Manchurian president in the office of the Presidency of the United States?
- Is he making ever decision to benefit China?

...and reserve America for our use in a moment. Our historical experience has proven that as long as we make it happen, nobody in the world can do anything about us....

Why? Because they have purchased most of the rest of the world, especially in the underdeveloped countries!

...Furthermore, if the United States as the leader is gone, then other enemies have to surrender to us.

The whole speech will be posted online at **truthofGod.org** I have some other comments that I have written up that I have added to it.

That's why today we have ***troubles, sin and satanic flips!*** Let's look at some of these so we know where we are going. Let's look at the troubles, or problems. We have plenty of problems. Stop and think for a minute and:

- look at all the sickness and disease
- look at all of those who are paid by the state to not work
- look at the high number of senior citizens in the population of America
- look at all of the young generation

They have been programmed to think in satanic terms. They have been programmed to hate America! Who does that benefit? *The Chinese and their army of immigrants!* What do you think the Chinese are going to do when they take control, because they will? They already control us behind the scenes in many things. They're going to be the hand of God's punishment against this nation.

- they're going to kill as many homosexuals as they can
- they're going to take the homeless on the streets and send them off to work camps to work them to death

- they're going take all the food that they can harvest in America

When the Chinese go across America and they see mile after mile after mile of wheat, corn, barley, soy bean, and they look at orchards and vineyards and they look at their country in comparison. They know they don't have enough food.

Psalm 34:1: "I will bless the LORD at all times; His praise shall always be in my mouth. ... [that's what we need to be doing] ... My soul shall make its boast in the LORD; the humble shall hear and be glad. O magnify the LORD with me, and let us exalt His name together. I sought the LORD, and He answered me, **and delivered me from all my fears**" (vs 1-4).

That's what we need. Now is the time that we really stay close to God in everything that we do.

Verse 5: "They looked to Him and were radiant; and their faces were not ashamed. This poor man cried, and the LORD heard, and **saved him out of all his troubles**" (vs 5-6).

I can tell you this: Every single one of us have a handful of problems and troubles. So, we've got to put them all in God's hands and ask Him to help and work it out.

Here's what to understand: in spite of all that's going on in the world and in the nation or wherever you're living:

Verse 15: "**The eyes of the LORD are upon the righteous...**"

That's what it's important that we stay close to God! What is the Church like in the end-time (Rev. 3)—*lukewarm!* But compared to the evil world, they think they're red hot. Compared to God and what God wants, they're *lukewarm!*

Look at the Protestants, they're getting worse by the day. I surveyed them the other day and the only thing they can do is give the same Franklin 'mealy-mouthed' come to the Lord and have songs and praise. They tell you that you want to have peace of mind.

I can tell you that no one is going to have peace of mind unless they love and obey God and keep His commandments. The day is over for people to think that if they use some of the Scriptures they're just fine!

Everything they need to know about the troubles coming upon them is found in the Old Testament that they reject.

Verse 15: "The eyes of the LORD are upon the righteous, and His ears are open to their cry. The face of the LORD is against those who do evil, to

cut off the memory of them from the earth" (vs 15-16).

Eventually that will happen! So, this is a prophecy that goes clear to Rev. 20; all the wicked are cast into the Lake of Fire, and Satan is removed forever to the blackest darkness, wherever that is in the universe.

Verse 17: "The righteous cry, and **the LORD hears, and delivers them out of all their troubles.**"

Verse 18 is the key, and this is the attitude that we need to have. Not be lifted up, not be demanding, but yielding to God.

Verse 18: "The LORD is near to the brokenhearted and saves those who are of a contrite spirit. **Many...**" (vs 18-19).

What we're going through living in the end-time. we just need to realize that, all the prophecies of God are true. They're going to happen. Not one is going to fall short. Christians are going to have to be living in the end-time when the world is going 'to hell in a hand basket.' It's difficult! Isn't it difficult when everything you see and look at in the world is based on something from Satan the devil; even that which *appears* good? ***But we have to live in it and stay close to God!***

- we're not going to change the world
- we're not going to slow down prophecy
- we're not going to speed up prophecy

But we look to God and trust in Him for everything!

Verse 19: "Many are the afflictions of the righteous, **but the LORD delivers him out of them all.**"

As I mentioned here recently, the Bible is the most important book in the whole world. It's the only book in the world that tells us:

- the true history of mankind
- the rise and fall of nations
- about what God is doing through Abraham, Isaac, Jacob, the 12 tribes down through to Christ
- about the Church and everything down through history

Can you imagine that there's no other book in the world to do that?

Sidebar: I saw an interview on Fox Business and it was this man who was a physicist. He wrote this book that I thought it was how hydrogen energy can be contained if it's in a complete magnetic sphere, in the middle of it.

Hydrogen energy has much more than nuclear and doesn't have all the fallout of it. So, I thought the book was on it. His last name is DeGracie. He is an astronomer who studies the heavens. So, I got the book yesterday and thought I would look in it and see about this hydrogen energy.

It had nothing to do with it. It was like the musings of Job without God, about human life, and about the heavens, the earth, and about how one generation comes and it goes.

The thing is that he's looked at as one of the smartest men in the world, ***but he is so ignorant that he doesn't go to the Word of God!***

That's the way the world is!

Psalm 25:1: "To You, O LORD, do I lift up my soul. O my God, I trust in You; do not let me be ashamed, ***let not my enemies triumph over me***" (vs 1-2). *If you stay close to God, He will do this!*

Verse 3: "Yea, let none who wait on You be ashamed; let them be ashamed who deal treacherously without cause. Show me Your ways, O LORD; teach me Your paths. Lead me in Your Truth and teach me, for You are the God of my salvation; on You do I wait all the day long" (vs 3-5).

This is what we have to do in our relationship with God. The world, we're going to see, is going to go bonkers! There's no way around it!

Psa. 54 is what we are to do. This has to be our prayer everyday. What's going to happen? We're going to find out that we're going to be surprised with another trouble. So, we need to stay close to God.

Psalm 54:1: "Save me, O God, by Your name, and vindicate me by Your might. Hear my prayer, O God; give ear to the words of my mouth" (vs 1-2).

There are going to be times that you're going to be really desperate, and you won't know what to do. You will be so frustrated because you can't get things settled out or worked out, because the people you have to deal with, especially in the world are going to be acting against you, because what is the world filled with? *Liars, cheats and everything like that!*

If you come to God and do your part, He will rescue you! It will be like almost like a miracle. God will do that!

Verse 3: "For strangers have risen up against me, and violent men seek after my soul; they have not set God before them. Selah."

Can God even make the wicked do right for the sake of His people? *Yes!* Remember after Nebuchadnezzar conquered Jerusalem and burned it to the ground, scorched it. It says *almost like fire and brimstone!* Everything was destroyed, because one man wouldn't listen to Jeremiah. It was Zedekiah, and he wanted to know what was going to happen, so he secretly sent for Jeremiah and said, 'Don't tell anyone that you've been here, but if they find out, you tell them thus and such. Tell me what's going to happen.'

So, Jeremiah did! He said, 'If you surrender to Nebuchadnezzar he won't destroy the city and the temple. You've heard me say this before. He didn't trust in God and believe Jeremiah. So, he and his sons went out the back way to try and get away, and Nebuchadnezzar found him and killed his sons and gouged out the eyes of Zedekiah.'

Jeremiah was left with the king's daughters and the rest of the story in the book *The World's Greatest Throne* by John S. Fox {truthofGod.org} will show you that he went to Egypt with the Israelites, but then went over to Ireland and one of the daughters of the king married into the house of Judah, the line of Zerah. So, today we end up with the Throne of David in London. *That's an amazing story!*

Let's look at some sins; we've looked at troubles. We read in Heb. 12 ***'the sin that so easily besets us'***! They do! Where does that happen most of the time? *In our mind!* Especially today with all the televisions that we have.

Rom. 7 is where we find ourselves today, in the same situation that Paul found. When I first read that, as I've mentioned before, it made you wonder if Paul was really converted. It helps you understand that God is not only interested in your actions—whether they are righteous or sinful, but He is also concerned ***with your thoughts!***

What did it say about what the world was like in Gen. 6 before the Flood? *Every imagination of the thought of his heart was only evil continually!*

What did Jesus say? *As it was in the days of Noah before the Flood, so shall it be in the days of the coming of the Son of man!*

We are assaulted with more satanism than we even care to know, because of all the digital things that we have, television and being able to have books and different things like this. ***We're assaulted with it all the time!***

Rom. 7 tells us what Paul was fighting. He wasn't fighting sins that he was actively doing. But when he wanted to do good, we'll see what he was confronted with in his own mind.

Romans 7:6: “But now we have been released from the law...”

That is so misinterpreted by the Protestants it’s incredible! They turn there and say that you don’t have to keep the Law. But this is the law of the covenant between Israel and God. So, they’ve been released from that so that they could be married to Christ.

- technically, under the covenant with Israel, all of Israel was married to God
- technically, the Church now is betrothed to Christ

Isn’t that what Paul wrote of in 2-Cor. 11? *Yes!*

“...because we have died...” (v 6)—*that means by baptism!* Rom. 6 shows that we have been conjoined to the death of Christ.

“...to that in which we were held so that we might serve in newness of the spirit, and not in the oldness of the letter. What then shall we say? *Is the Law sin?...*” (vs 6-7).

That’s what the Protestants believe! If we keep the commandments of God, we’re not trying to work out our salvation. ***That’s what God requires, even of people in the world!*** God wants conversion of the mind and of the heart!

So, the sins that we’re going to be confronted with are not overt sins of action that are observable. ***These are the sins in the mind that—*** since you have the Laws of God written in your heart and mind—***convict you of the sins!***

{note our In-Depth Study (truthofGod.org): *How to Overcome the Sin Within*}

“...Furthermore, I would not have been conscious of lust, except that the Law said, ‘You shall not covet’... [Where does lust come from? *The mind!* You desire this, that, and the other thing!] ...But sin, having grasped an opportunity by the commandment, worked out within me every kind of lust because apart from Law, sin was dead” (vs 7-8).

Now you have the Law of God written in your heart and mind, but you also have—we’ll see another law—that we fight against.

Verse 9: “For I was once alive without law...” (v 9).

Think about that! Paul said that he was ‘of the strictest sect of the Pharisees.’ Couldn’t get any more law abiding! But without the Spirit of God it was all the traditions of men. “...without law...”

“...but after the commandment came, sin revived, and I died” (v 9)—*through baptism!*

That means that Paul understood the

commandments.

Verse 10: “And the commandment, which was meant to result in life, was found to be unto death for me; because sin, having taken opportunity by the commandment, deceived me, and by it killed me” (vs 10-11).

Without the Spirit of God you don’t know the severity of the lust and desire of the mind. So, you have this battle going on! With this battle going on, ***there’s nothing wrong with you, you’re overcoming the sin within!***

Verse 12: “Therefore, the Law is indeed Holy, and the commandment Holy and righteous and good. Now then, did that which is good become death to me? MAY IT NEVER BE! But sin, **in order that it might truly be exposed as sin in me...**” (vs 12-13)—*within!*

Sidebar: I went to the bank the other day and the teller said, ‘Are you ready for Christmas?’ I said, *I don’t observe it.* She looked back at me and asked, ‘Why?’ I said that *everything about Christmas is based on a lie. There’s no Santa Claus, he doesn’t come down a chimney and he doesn’t bring presents and he doesn’t live in the North Pole! And Jesus wasn’t born anywhere near that day!*

She was taken aback, she never heard anything like that in her life. She didn’t know what to think! That’s probably the first time she ever heard it in her life.

It shows that ***the carnal mind cannot identify the sin within!*** Only if you have the Spirit of God in you and you’re growing in grace and knowledge with the laws and commandments and Spirit of God; ***that is what is convincing us of sin!*** This is the battle that we’re going to be facing!

Verse 13: “Now then, did that which is good become death to me? MAY IT NEVER BE! But sin, **in order that it might truly be exposed as sin in me** by that which is good, was working out death; so that by means of the commandment, **sin might become exceedingly sinful.**”

You need the Holy Spirit of God to understand that! We’re going to talk about that when we get to the ***satanic flip!***

Verse 14: “For we know that the Law is spiritual; but I am carnal, having been sold as a slave under sin; because what I am working out myself... [separate from the Laws of God, separate from the Spirit of God] ...I do not know. For what I do not desire to do, this I do; moreover, what I hate, this is what I do” (vs 14-15).

Here is the key, v 16, to understanding this. This helps you understand why Jesus said in the

model prayer: *Forgive us our sins as we forgive those who sin against us!* It's also called a *debt!* When you have a sin, you have a debt that has to be paid. Only the sacrifice of Christ can pay that debt.

Verse 16: "But if I am doing what I do not desire to do, I agree with the Law that *it is* good. So then, I am no longer working it out myself; rather, it is sin *that is* dwelling within me" (vs 16-17).

Then Paul said that he fully understood that ***'in me dwells no good thing'***! That is no good thing of God! Then he said that he was saved from this through Jesus Christ.

(break 40:11)

If with the Spirit of God and having the laws and commandments of God written in your heart and mind, you're going to be able to stand against the sins of the world, which are going to come against us. That's important to really grasp.

Romans 7:16: "But if I am doing what I do not desire to do, I agree with the Law that *it is* good."

In other words, when you have the sin within spring up, and then the Law of God within your mind convicts you that it is wrong, then the Law of God is good through His Holy Spirit convicting you as to what is wrong. Then you can repent of it! Here's why:

Verse 17: "So then, I am no longer working it out myself; rather, it is sin *that is* dwelling within me. Because **I fully understand that there is not dwelling within me—that is, within my fleshly being—any good.** For the desire to do good is present within me..." (vs 17-18).

That's true in every human being! Just like this bank teller that I surprised with Christmas. She thinks she doing so good; it's lovely and nice, and she tells all the customers 'Merry Christmas/happy New Year.' Everybody feels good and uplifted. We sing all of the carols and all of the songs. ***That's how Satan dresses up sin!*** The nasty stuff comes later, but he has to capture you first on the easy things.

"...but how to work out that which is good, I do not find" (v 18)—*without the Spirit of God!*

Sidebar: I think I also asked this bank teller: Have you gone to church lately? *No!* Have you read the Bible lately? *No!* But she's still 'good' in her own mind.

Verse 19: "For the good that I desire to do, I am not doing; but the evil that I do not desire to do, this I am doing. But if I do what I do not desire to do, **I am no longer working it out myself, but sin that is dwelling within me**" (vs 19-20).

We will see that Paul defines this as *the law of sin and death!*

Verse 22: "For I delight in the Law of God according to the inward man; but I see another law within my own members, warring against the law of my mind, and leading me captive to the law of sin that is within my own members. **O what a wretched man I am!**..." (vs 22-24).

How does God bring us to understand the futility of human nature and all the things that we think that is good is really not good. This is a point of conversion that we need to come to through God's Spirit.

We're going to be facing *a lot, a lot, a lot* of difficult times ahead, so we have to be strong!

"...Who shall save me from the body of this death? I thank God *for His salvation* through our Lord Jesus Christ. Because of this, on the one hand, I myself serve the Law of God with *my* mind; but on the other hand, with the flesh, *I serve* the law of sin" (vs 24-25).

Romans 8:1: "Consequently *there is* now no condemnation to those who are in Christ Jesus..."

In other words, fighting against the sin within you, you are not condemned if you are casting it out and replacing it with the Word of God and using the Holy Spirit of God. There's no condemnation!

"...who are not walking according to *the* flesh, but according to *the* Spirit... [here is what you use to overcome]: ...because the Law of the Spirit of Life in Christ Jesus... [the law of the Spirit working within you through Christ Jesus] ...has delivered me from **the law of sin and death**" (vs 1-2). *You have the means to overcome it!*

Let's see about the forgiveness that we get when we repent of this. It's really quite amazing when you come to the understanding that the only good that really comes is:

- with the Spirit of God
- with His Laws and commandments
- with His Word

Psalm 32:1: "Blessed is the man whose transgression is forgiven..."

Not just the things that we do, but the things that we think!

"...whose sin is covered" (v 1).

Sidebar: What is the Holy Day that covers sin? *Atonement! Yom Kippur! To cover!*

Verse 2: "Blessed is the man to whom the

LORD does not impute iniquity, and in whose spirit there is no guile.”

Here’s another thing that will happen as you get rid of the sin within. There will be more Truth in you, and you get rid of the guile and deceitfulness of human nature. You come to understand that only salvation comes from God. This is extremely important for us to grasp and understand.

We’re going to see that ***this whole world is going do a satanic flip!***

- What is a satanic flip? *I’m taking that off of what the newscasts have said that a Democrat state has flipped to being Republican!*
- Who does the flipping to get people into deeper sin? *Satan!*

That’s what is called ***a satanic flip!***

- Where is it recorded ***the greatest satanic flip*** in the whole Bible? It describes it
- Where is the ***greatest satanic flip***?
- What happens when there is a ***satanic flip*** whether in:
 - ✓ the life of an individual?
 - ✓ the life of a family?
 - ✓ the life of a nation?
- What is ***the greatest satanic flip*** in all the Bible? *Adam and Eve!*

When there’s a satanic flip, it affects everything!

- Have we all been affected with what Adam and Eve did? *Yes!*

Romans 5:12: Therefore, **as by one man...** [Adam] **...sin entered into the world**—*all have sinned!*

- Why do all sin? *Because human nature was changed from being neutral to being sinful!*

Not only does it flip in an outward sense, *but it flips in an inward sense, and it affects a lot of people!*

Proverbs 21:12: “The righteous wisely considers the house of the wicked... [in other words, you know what’s going on] *...but God overthrows the wicked for their wickedness.*”

What has happened in America, just this last week, which is ***a major satanic flip***, which affects the whole nation? It occurred in Washington, D.C.! The name of the bill that was signed by Biden is *The Respect of Marriage Act*, which is the disrespect of ***true*** marriage.

- Isn’t it interesting how Satan re-labels it and guess what? *The Congress passed it!*
- Why?

- Were they interested in truth?
- or**
- Were they interested in votes? *‘If I don’t pass this, the homosexuals in my district won’t vote for me!’*

Tells you how many homosexuals there are around! This is going to effect the whole nation! Remember how it was in Sodom and Gomorrah?

Poor Lot was there living in the middle of it all. He didn’t have enough brains in his head to move away. But because of Abraham, God spared him. The two angels came into town, and look at what all the men of Sodom did. They said, ‘Oh, new men, we have to have them’; that is for homosexual relations.

So, the angels came to Lot’s house and entered into the house and the men of the town all gathered around it in a riot and banged on the door to try and get these two men (angels) so they could have homosexual relations with them. They thought they were men! Remember that Heb. 13 says to ‘beware how you treat strangers because you may be entertaining an angel and don’t know it.

They just thought they were men, so they had a big fight right at the door. Lot knew, when he said they could take his two daughters—that was a stupid thing to say—that the homosexuals wouldn’t that the daughters because they only want men!

So, Lot and his family went to sleep and the two angels wandered around on the streets to see if it was as bad as it was indicated by the cry that came up from Sodom and Gomorrah. Then in the morning the angels said, ‘Come, get your family.’ The sons and their wives didn’t want to go. The angels said, ‘Take your family and get out of here. You have to get out of here and go to the mountains.’

Lot said, ‘I don’t want to go to the mountains. There’s this little city over here, please send me over there and that will work out.’ The angels said, ‘Okay, hurry, hurry, hurry.’ So, Lot, his wife and his two daughters. The angels said, **‘Don’t look back!’**

This is an example of ***a satanic flip!*** **IF you go against the Word of God**—in this case an angel—***you’re going to pay a very terrible price!*** What happened to Lot’s wife? *She turned into a pillar of salt—instantly!* With the Bill that is signed, that is ***a satanic flip!***

Let’s look at some others! This has been in the Church before. We’ve seen it here recently later, and we’ll talk about it a little bit more.

2-Pet. Tells us how we survive in such an evil world. Now that they have legalized marriage, what are they already talking about?

We need more laws so there is not discrimination against us, but we're going to discriminate against every heterosexual that we meet, and everyone who speaks in the name of God.

They're God-haters! Why? *Because their sins are **satanic** love!* That's *a satanic flip!*

2-Peter 2:1: "But there were also false prophets among the people, as indeed there will be **false teachers among you**... [we just experienced that here recently] ...**who will stealthily introduce destructive heresies**, personally denying *the* Lord who bought them, and bringing swift destruction upon themselves."

How swift did it come on Lot's wife? *Instantly!* Right away. You read in the book of *Josephus* and he says that 'we can still see the pillar of salt that was the wife of Lot.'

Verse 2: "And many people will follow as *authoritative* their destructive ways; *and* because of them, the way of the Truth will be blasphemed." *We can expect that even more!*

Last night I did a survey of Day Star and TBN (Trinity Broadcasting Network). Not one of them brought anything about this. Then I went to the Catholic channel and they were talking about the problem of signing the bill and that there can only be children come from the marriage of man and woman.

But to show you how evil that everything is going, men want to become God Satan's way. In Germany they are working right now on an artificial womb! Their idea is to have children without a father or mother. They'll just extract the sperm and the eggs and impregnate them in a dish and then put them in this artificial womb and see if they can grow other human beings who will be robots and sexual slaves! *That's what they want! **Destructive ways!***

"...and because of them, the way of the Truth will be blasphemed. Also, through insatiable greed they will with enticing messages exploit you for gain; for whom the judgment of old is in *full* force, and their destruction is *ever* watching" (vs 2-3). *God is going to do it in one day!*

Stop and think about this for a minute! After the resurrection and we're on the Sea of Glass, we all get our new names, new assignments, all of our spiritual clothes and get our white horses we're going to ride on when we come back to the earth with Christ. And we will see the seven last plagues poured out!

When the seventh one is poured out it says, *'the cities of the earth fell.'* Think about the cities that are there with all these high-rise buildings.

Where are the tallest ones? *In the Middle East!* Qatar, Saudi Arabia, United Arab Emirates. There's an ad on television to come and bring your business to Qatar.

Verse 4: "For if God did not spare *the* angels who sinned, but, having cast *them* into Tartarus, delivered *them* into chains of darkness to be kept for *the* judgment; and *if* God did not spare *the* ancient world, but saved Noah, *the* eighth, a preacher of righteousness, when He brought *the* Flood upon the world of *the* ungodly" (vs 4-5).

That's quite a thing now! I remember when I was pastoring in Salt Lake City I also had to go visit brethren up in Wyoming. We would go out of Salt Lake City and it was already 4,200 ft. there and then we would go up into the mountains on the highway going to Wyoming. As you go east, all the strata alongside the road point toward the east. When you get to the top where the Continental Divide is, all the strata points to the west.

What does that tell you? *God lifted up the mountains, and that's the result of it!* I wanted find out if I could find any evidence of the Flood. So, when I was up there at 12,000 ft. there was this little road and I went off on the road and there was this place where it was mostly sand. I got up there and I was looking around and guess what I found? *Trilobite fossils everywhere at 12,000 ft. at the Continental Divide of the United States!*

That shows that there was a Flood. We know that because I didn't see any swimming around there at 12,000 ft.

Verse 6: "And having reduced *the* cities of Sodom and Gomorrah to ashes, condemned *them* with a catastrophic *destruction*, making *them* an example *for those* who would be ungodly in the future." *But they don't believe it, they say it's a myth!*

Verse 7: "And *if* He personally rescued righteous Lot, who was oppressed by the lawless ones *living* in licentious conduct. (For that righteous man, dwelling among them, through seeing and hearing *their* lawless activities, *was* tormented day-by-day *in his* righteous soul)" (vs 7-8).

So are we when we see all of these things going on in the world. But notice:

Verse 9: "*The* Lord knows *how* to rescue *the* Godly out of temptation, and to reserve *the* unrighteous to *the* day of judgment to be punished; but particularly those who walk after *the* flesh in corrupting lust, and hold in utter contempt *the* lordship of God. *They are* audacious and self-willed. They are not afraid to blaspheme *the* Divine powers" (vs 9-10).

It shows what happens, and they give themselves over to evil so that they affect everything that is done in the world!

Let's see some Proverbs that lead to the *satanic flip!* I submit to you that every one of the ministers who were in Worldwide Church of God who left and went to Sunday-keeping, Easter, Lord's Supper, etc.—*that is a satanic flip!*

They get the reward of unrighteousness now. But God's judgment is going to be upon them. Same thing for all of those.... Having done a lot of research on the Bible, the Greek and Hebrew, but in particular the Greek and the New Testament, there are going to be a lot of men on the translating committees that they did *satanic flips* to change the Word of God. God is going to hold them responsible for what they did, or anyone who would take the Word of God to transform it into something that it doesn't mean. It doesn't matter who you are, where you are, what the difficulties are.

Proverbs 21:12: "The righteous wisely considers the house of the wicked, *but God* overthrows the wicked for *their* wickedness."

That's what's going to happen every time there's a *satanic flip* that going to take place!

Verse 16: "The man who wanders out of the way of understanding shall remain in the congregation of the dead." *The wages of sin is death!*

Verse 22: "A wise one scales the city of the mighty and brings down the stronghold of its hope. Whoever keeps his mouth and his tongue keeps his soul from troubles. A proud and haughty scorner is his name who acts with arrogant rage" (vs 22-23).

- Can people recover from *satanic flips*? *That depends! Some cannot, because they won't repent!*
- Where was another very infamous *satanic flip*? *It caused lots of trouble!*

Know this: wherever there's a great *satanic flip* look what happened to Worldwide!

- Did that cause a lot of trouble?
- Did it affect a lot of people?
- Did it affect a lot of salvation?

All of us remember that!

- How about those who left and just wandered into the world? *It affected them!*

Think of *a satanic flip*, and this is particularly important. Remember when David was sitting there in his house, and he had a special room

built for the tent for the Ark. He was able to come before the Ark and pray every day.

He would compose Psalms and give them to Asaph the priest. David was sitting there thinking about God and saying, 'O God, here I dwell in this lovely house, and you dwell in a tent. I want to build a house for You.'

So, Nathan the prophet came and said, 'God has heard your prayer. Your throne will be forever, but you can't build a house for God, but one who comes of your own loins will build it for God, because you have been a bloody man with all your war.' Then he gave a nice prayer to God, praising and thanking God and everything.

What happened a little later? *There he was walking on the upper story of his house!* In the Middle East the roofs are flat and they go up there so they can cool off at night and so forth. When they had the Feast of Tabernacles, they would put tents up there and people would come and stay in their house and so forth.

David was up there walking back and forth and he looked down who did he see? *Bathsheba taking a bath!* Did she know that the king would go up there and walk? *Of course!* She was not innocent! David was not innocent! Can you imagine all the secrets of the throne? Then he sent a servant over to get Bathsheba. She could have said *no, I cannot come!* But she didn't and she came and David laid with her and she became pregnant.

So David decided to call Joab, the general, and said, 'You're going to have a fight down here and I want Uriah the Hittite in the thick of the battle, and when the battle is really thick you draw back so that Uriah dies. So, that happened and Joab remembered that later on.

That occurred after David had Uriah come back home and tried to get him to go be with his wife, but he wouldn't do it. So, that's when David ordered him to be killed in battle. After Uriah died David took Bathsheba as his wife.

Imagine the gossip of the whole nation:

- Did you know what the king did?
- Did you know who he took as a wife?
- Did you know that he committed adultery with her and she got pregnant?

So, Nathan came and gave him the parable about the rich man who took the poor man's little lamb, and David said, 'He's got to pay for it!' *Nathan said, 'YOU are that man! Your sin is forgiven, but the child will die!'*

But did the whole nation of Israel pay for the *satanic flip* of David? Let's see David's prayer

of repentance in Psa. 51. This is the only way you're going to recover from a *satanic flip* if it happens in your life!

One thing that's important that you need to understand: When you repent and you confess your sins, ***you do not go back on it, because that is an additional satanic flip, which is going to cause a whole lot more trouble!***

Psalm 51:1: "Have mercy upon me, O God, according to Your loving kindness; according to the greatness of Your compassion, blot out my transgressions."

It's plural because there were many! David was lying to himself, and lying to everybody else. He was causing a man to be murdered in battle who didn't have to die!

Verse 2: "Wash me thoroughly from my iniquity and cleanse me from my sin, for I acknowledge my transgressions, and my sin ***is ever before me***" (vs 2-3).

This is the only conviction that you can have, and the only kind of repentance that you can have to overcome ***a satanic flip!***

- it needs to be deep
- it needs to be profound
- it needs to be something to really bring you to God

Verse 4: "Against You, You only, have I sinned, and done evil in Your sight, that You might be justified when You speak and be in the right when You judge." *Everything God has to say is right!*

Verse 5: "Behold, I was brought forth in iniquity..."

What iniquity is David referring to? *The satanic flip of Adam and Eve and the law of sin and death passing into all human beings, with human nature that's contrary to God!*

"...and in sin did my mother conceive me. Behold, You desire Truth in the inward parts..." (vs 5-6). *That's it, right there!*

If you pray this prayer, which David did, or if anyone else prays this prayer and they have experienced ***a satanic flip you cannot go back on that! When you renounce your repentance then God cannot honor you any longer!***

Can you repent from that? *I don't know!* "***...You desire Truth in the inward parts...***"

"...and in the hidden part You shall make me to know wisdom" (v 6).

That is having a complete understanding and

consciousness of the evil of sin that's within!

Verse 7: "Purge me with hyssop, and I shall be clean..."

What was the hyssop that David experienced after this? *The rebellion of Absalom* (you can read of that in the book of Kings). It was terrible! David's other wives all gave themselves over to adultery! They probably said, 'If he did it then I'm going to do it.'

Who knows what went through their mind; that's what's so important! That's why, as all elders and ministers and those who handle the Word of God, *you better handle it in Truth and righteousness, and you better do it **God's way!***

If you make a mistake and you repent, ***don't go back on your repentance!***

Look at the nation today with the *satanic flip* that we have! It's going to be terrible! Biden could have said:

No, I'm not going to sign this. I agree with what I said 40 years ago, that marriage is only between man and woman.

Those who passed the law in Congress could have said, 'No!' *But they didn't!* Now with the sexualization of children within the educational system, what's going to happen? *Homosexuality and queerdom is going to multiply!*

They will probably pass a law that will make pedophilia with children legal!

They will probably pass a law that will make zoophilia legal. That means sex between a man or woman and an animal.

That's what we're looking at! So, let's see how many of the establishment 'Christian' community are going to stand up against this. That's going to be difficult, because we don't know something else: We don't know how many of them are given over to homosexuality. Look at the Catholic priesthood and pedophilia with the altar boys.

I was taken aback to watch a Catholic priest and a Catholic lay theologian talk about only man and woman marriage. But they also referred to that there are 'protections in the law that we have so we don't have to be forced to marry homosexuals.' *No, complete denunciation of it!*

This *satanic flip* in America is going to affect the whole nation and is going to bring us in more dire conditions subject to the collapse of the nation than ever before!

So, when ***a major satanic flip*** occurs like this—just like it did in the days of David—it's going

to affect the whole nation! Just like here in Hollister recently, they teach sex in the high school, and one girl said, 'I'm going to be a lesbian.'

What kind of society do we have? Unfortunately we live in the times that we live in, so ***we have to understand the Word of God and understand what's going on and how to stay strong in the Lord!***

We don't know how the future is going to be! But it looks like it's going to be really rough! That's what we're faced with: ***problems, sin and satanic flips!***
